

Prophet and Apostles Matching Games

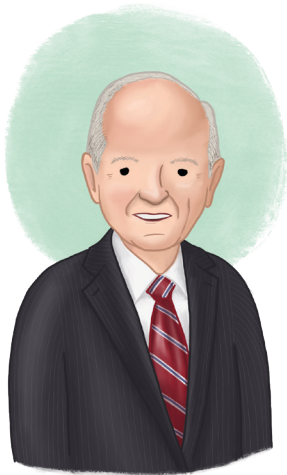

Memory - print twice, cut, and play! The person who collects the most matches wins.

Go Fish - print 4 times, cut, and play! The person who collects the most matches wins.

Prophet Power - It's like *Old Maid* but with a twist. Print cards twice, cut, but only use one of President Nelson. Rather than losing because you have him in your hand, like you would with the one *Old Maid*, the person who ends up with President Nelson wins the game, whether he/she has the most matches or not.

**Recommended - print on cardstock to make it more sturdy. After printing the front, flip over the paper and print the backside pattern to keep from seeing through the card. Cut cards along dotted lines.*
